

# VOLUNTEER NEEDS

## JULY 25 – 30, 2024

---

### **TEAM PARENTS (24)**

---

The host will assign team parents to each competing team who will actively provide assistance to their assigned team from the time the team arrives at the World Series until that team departs. It is suggested that civic clubs, Boy Scouts, DYB graduates, league volunteers, etc. be assigned to this important responsibility. Team parents are to be thoroughly familiar with all World Series information and schedules. Team parents should be assigned to each team to provide any assistance needed during the World Series and to be on call by the team manager at all times.

---

### **FOOD SERVERS AT THE PLAYERS' DINNER (4)**

---
